---

## United States Senator

(1995-2007)

Dear Friend,

I'm writing you today to ask for your help to elect my good friend, Tom Corbett, the next Governor of Pennsylvania.

As Pennsylvania's Attorney General, Tom has been at the front line in the battle against drug dealers, gangs, and the violence that threatens our communities.

He's created and aggressively managed one of the most successful child predator units in the United States of America -- taking hundreds off the streets and saving lives.

He's also taken the lead in fighting the real problem of corruption in government and in corporate boardrooms. After all, corruption is not a victimless crime as taxpayers and investors are left to pick up the tab at the expense of workforce efficiency and lost jobs.

Corruption itself keeps businesses from expanding, moving here, and employing our kids and grandkids. It's why people lose faith in Pennsylvania's government and economy.

As Attorney General, Tom Corbett has returned half a billion dollars to Pennsylvania taxpayers by fighting fraud and corruption...

...And as the next Governor of Pennsylvania, I'm sure he will save taxpayers even more.

With public confidence in our Democratic Governor Ed Rendell and legislature near historic lows, Tom's campaign for Governor could not come at a more critical time. After all, there is no margin for error when it comes to rectifying the enormous problems Pennsylvania faces today.

As Governor, Tom Corbett will move quickly and efficiently to re-start Pennsylvania's stalled economy. Tom's children are working hard and pursuing their careers in Pennsylvania -- but far too many kids are not so fortunate.

It's going to take a more than a change in leadership to restore the promise of Pennsylvania -- it's going to

take a bold change in vision.

Tom has that vision and is the right man for this job.

As a teacher, as a small business man, as Attorney General, and former Captain in the Pennsylvania National Guard, Tom Corbett has the experience and temperament to turn the Keystone State around.

By holding the line on taxes, passing a state budget on time, defending traditional values, and improving our children's education by maximizing the power of every taxpayer dollar, Tom Corbett will be a Governor for all of Pennsylvania.

And while politicians in Harrisburg tend to be exceedingly good at finding creative ways to spend your money, isn't it time we elected a Governor dedicated to finding all the waste we know is there? I hope your answer is "YES!"

As a life-long Republican, Tom Corbett has proven he can win statewide. In 2008 Tom received the most votes ever cast for a Republican candidate in Pennsylvania history. And, two recent surveys have already shown him with a huge lead in the race for Governor.

That's why I'm asking you to join me in doing the right thing by supporting Tom Corbett for Governor. Your urgent campaign gift of \$2,000, \$1,000, \$500, \$250, \$100, \$50, or even \$25 could not come at a better time. Liberals across the nation will be asked by President Barack Obama and Democrat Governor Ed Rendell to help defeat Tom Corbett.

Whatever amount you can send today, \$2,000, \$1,000, \$500, \$250 -- or even a smaller gift of \$100, \$50, \$35, or \$20 -- would be greatly appreciated.

It's time Pennsylvania's government learned to live within its means, passed a budget on time, and held the line on taxes. Like you, I don't think that's too much to ask. Please, take a minute now to read the enclosed letter from Tom Corbett himself, and let me hear back from you today.

Sincerely,

Rick Santorum

U.S. Senator, PA (1995-2007)

P.S. Kindly take just a minute to read the enclosed letter from Tom Corbett. Then, let me know if he can count on your personal support by returning your gift of \$2,000, \$1,000, \$500, \$250, \$100, \$50, or even \$35 today. Thank you.
